EDINBURGH FESTIVAL FRINGE 2021 PROGRAMME

It's with great pleasure that we are able to welcome live work back to Edinburgh this August. It goes without saying that after the events of the past 15 months the Festival will not be the same as in previous years but thanks to the support of our venue partners, funding bodies and all across our industry it's a huge privilege to be able to pioneer the return of grass roots work to the festival.

In the spirit of the Edinburgh Festival Fringe our programme is as diverse as it always been and we are proud to be working with an array of talent to present a programme of over 50 shows across our live festival hub. And, don't forget our Season 4 of Online@theSpaceUK where we host a selection of shows from across the globe ready for you to

watch from the comfort of your summer sofa. Be assured there will be something for everyone.

We look forward to hosting you in August with a renewed vigour and focus on bringing work back to this unique and special event.

Welcome Back, and Enjoy.
